

1. Cut out coupon.
2. Crease envelope template along the 3 dashed lines.
3. Cut out envelope template.
4. Adhere coupon, face up, on the blank side (inside) of center panel, as demonstrated in diagram below.

5. Fold bottom flap up, design side out.
6. Fold top panel down, design side out, and fold the triangle flap over. Secure triangle to back center panel with tape, as seen below.

7. Please recycle scraps.

This adheres to the inside center panel (on blank side of paper).
